Dear Students,

Greetings!

We hope that during your recent experiential learning visits, you engaged yourself in hands-on experiences and reflection; you are now better able to connect your subject knowledge to the real-world situations.

Our University is the pioneer in hybrid learning and has been practicing the innovative teaching pedagogy called CALTech to train the students with today's desirable competencies since its inception. Hence, we are embracing hybrid course delivery to ensure that students receive hands-on laboratory experience and benefit from the on-campus facilities and support, whilst allowing students some of the flexibility afforded by remote study in the forthcoming semesters. You will have the choices to select online/offline mode as per your convenience.

**The examination for offline courses will be conducted in offline mode, and for the online courses, it will be in online mode.**

Please refer to the following tables to understand the academic plan for the forthcoming Interim and Winter semesters.

**Interim Semester (Oct 31, 2022 – Jan 12, 2023):**

During the forthcoming Interim Semester, **Batches 1 & 4** will be under **"offline"** mode and hence, they are required to report to the University **on or before 30th October 2022**. The University will be able to provide the hostel facility to all the Batch 1 & 4 students. Those who want to be a day scholar can avail the University transport facility from Bhopal, Sehore & Ashta, on payment basis. The hostel allotment process will be initiated by the Chief Warden's office, very soon.

As far as **Batch 2 and 3** are concerned, the courses will be offered in hybrid mode. That means the students have the option of selecting either **"online"** or **"offline"** mode. **Those male students who opt for "offline" mode are required to make their own accommodation arrangements outside. However, they can avail the**

**University transport facility from Bhopal, Sehore & Ashta, on payment basis.** Students, from Batches 2 & 3, interested in **"offline"** mode should register through the following link **on or before 09<sup>th</sup> October 2022**. Otherwise, it will be treated as acceptance for **"online"** mode.
